

I DECORI

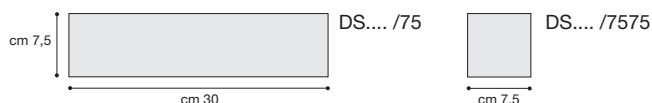

decori a sbalzo

I Decori a Sbalzo sono decori figurativi ed astratti a rilievo su pietra dolcemente levigata, con una finitura che riproduce fedelmente l'opera di erosione del tempo e della natura. Ogni disegno è coordinato in 4 diversi formati (7,5x30x1 - 3,5x30x1 - 7,5x7,5x1 - 3,5x3,5x1) per soddisfare ogni esigenza compositiva. Ogni motivo può essere riportato su qualsiasi altro formato e materiale della linea Dolomya, su qualsiasi lastra sagomata o pezzo speciale. Su richiesta è possibile realizzare disegni o motivi personalizzati (composizioni figurative, scritte pubblicitarie, loghi e marchi...).

Il trattamento IDRO-OLIO REPELLENTE e la ceratura sono inclusi.

The "Decori a Sbalzo" are figurative and abstract embossed decorations on smoothed stone with a finishing that faithfully reproduces the erosion work of time and nature. Each design is coordinated in 4 different sizes (7.5x30x1 - 3.5x30x1 - 7.5x7.5x1 - 3.5x3.5x1) to meet any composition need. Each design can be reproduced on every Dolomya size and material, on every moulded slab or special piece. Customized designs and patterns (figurative compositions, advertisement notices, logos and brands) can be made on request.

Hydro oil repellent treatment and waxing are included.
